

# Hamilton Beach® Commercial's New Lineup of Drink Mixers Whip up Shakes in a Flash

Busy establishments can serve shakes quicker than ever before thanks to Hamilton Beach® Commercial's new Single Spindle Mixer. This newly designed mixer is the ideal choice for mixing everything from ice cream shakes to "flashing" bar drinks and blending eggs, pancake, and waffle batter. The 1/3 Hp motor mixes up to twice as fast, so customers won't have to wait.

The new heavy-duty construction offers die cast durability in a smooth, rounded shape, which is easy to clean. Operators can start and stop mixing action by inserting the cup into the cup guide, or by using the pulse switch on the top of the mixer. This added flexibility of the pulse switch is perfect for further reducing mix time. The removable cup guides pull out for easy cleanup in the dishwasher and each unit comes with one stainless steel cups.

## KEY FEATURES

**Built for Speed** – With a 1/3-horsepower motor, the Single Spindle mixes in just seconds.

**Precision Motors** – The motor is individually balanced to minimize vibration and built to last with sealed, permanently lubricated ball bearings.

**Classic Design** – Features durable die-cast metal with smooth rounded design for easy cleaning. Takes up less counter space and looks great on display.

**Controls** – 3-speed rocker switch and three unique pulse switches.

**Clean-up Made Simple** – Removable cup guide and stainless steel cup is dishwasher safe

**Warranty** – One-year parts and labor
